

Changes all around us,
In every place we see,
The world is constantly evolving,
And so are you and me.
Some things may seem scary,
Like moving to a new school,
But with some time and patience,
You'll find it can be cool.
Changes can bring new people,
And new experiences to employ.
They help us grow and learn.
To become our best, we must
employ.
So, embrace the changes my friend,
And face them with a smile,
There's no telling what the future
holds, but it will be worth the while.
